TESCO ADMINISTRATION OFFICE – MAIN FLOOR

If you discover a fire:

1. Assess the situation and decide whether you can safely extinguish the fire with the use of a fire extinguisher.
2. If you determine the fire is too large or uncontrollable and you can't extinguish it safely, evacuate the building via the nearest safe exit. Walk - Don't Run.
3. When leaving the building, inform everyone of the situation with the use of a fire horn and close all doors behind you.
4. Assemble in the parking lot assembly area.
5. Call 9-1-1 and report the fire at this address: **874 Lapointe Street, Sudbury**
6. Don't go back in the building until the Fire Department has given the all-clear.

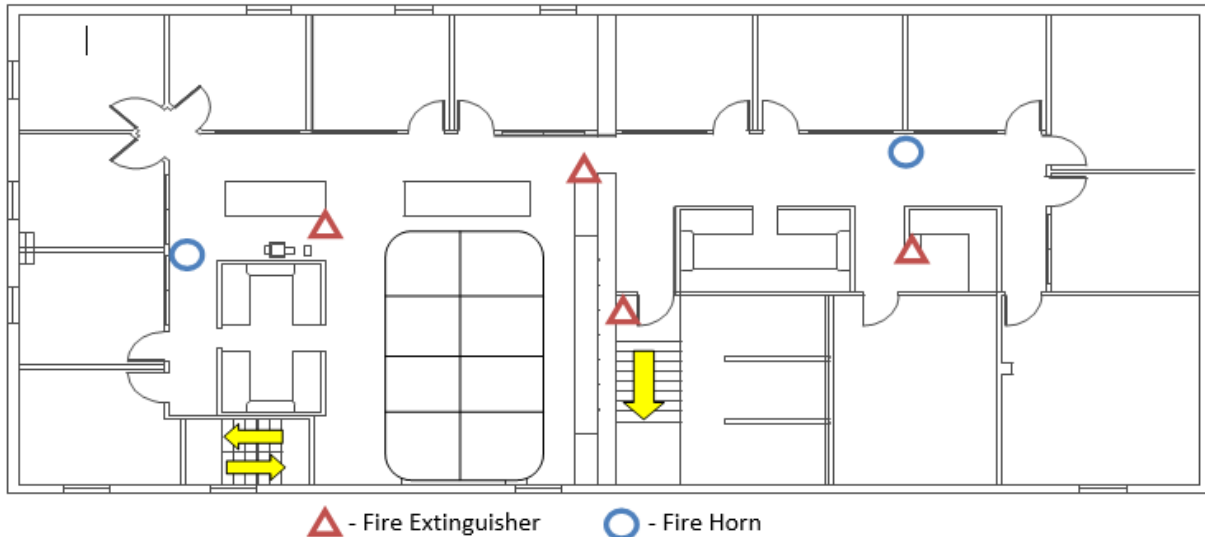

If you hear the fire horn:

1. Evacuate the building via the nearest safe exit. Walk - Don't Run.
2. When leaving the building, close all doors behind you.
3. Assemble in the parking lot assembly area.

4. Call 9-1-1 and report the fire at this address: **874 Lapointe Street, Sudbury**
5. Don't go back in the building until the Fire Department has given the all-clear.
